cases will be considered on the merits of each case taking into account the requirements of yarn by the handloom weavers, production of cotton in the areas and the existing spinning capacity in the State concerned.

4. As already indicated above, the entrepreneurs to whom letters of offer have been issued by the Textile Commissioner and who have not obtained an industrial licence, will now be required to apply for and obtain a C.O.B. licence or an industrial licence, as the case may be.
